PRINCIPAL’S ADDRESS

P&C AGM
The P&C is a fundamental part of the school community. The P&C is a forum for parent participation and involvement in the school. They also support the school by fundraising for extra resources.

Last year was a busy year for the P&C raising well over $11,000 to go towards the kitchen and Mathletics.

With most of the kitchen items purchased, this year will be a quieter one.

The AGM will be held on Tuesday, March 10 at 6pm. The meeting will finish by 7:30. Nibbles and refreshments will be available. Please come along and support your school.

Attendance
The year has just begun and it is amazing how many children have been absent already. Some were sick with a stomach bug and others have been on vacation.

Remember that every day at school makes a difference. If your child is able to come to school please send them.

IPS Review
In term 4, the school will have its first review as an Independent Public School. Two reviewers will visit the school for two days and go through a variety of documentation to check that the school is operating effectively. They will interview some staff, students and community members.

Clean Up Day
Last Friday was Clean Up Australia Day. The students have scoured the school grounds for rubbish and sorted their find. Even though the grounds looked clean, 141 pieces of non-recyclable rubbish was found and 65 pieces of recyclable. The most common material was Glad Wrap, being light it easily blows away.
Student Council Fundraiser
