PRINCIPAL'S ADDRESS

Please mark your calendars for the start of next term. Children return on WEDNESDAY 20TH JULY.
Teaching staff will return on Monday and Tuesday, but these are for Administration and Professional Learning.

UR WALPOLE
Congratulations to everyone involved in the UR Walpole Program this year. Another successful program with children learning about our local oceans, how people have used and are using them, the problems that human habitation has caused and what we can do to protect our oceans for future generations. A job well done by all: staff, students, parents, government departments and community members.

Congratulations to Mr Lee Cummuskey for his selection to be our Honour Board recipient for his input into our UR Walpole programs over many years. Some of you will remember the fantastic water cycle Lee helped the children build from dry ice demonstrating evaporation to a sprinkler system showing precipitation and how it gathered into streams, rivers, into the inlet and then out to sea.

Lee was also instrumental in the research, purchase and set up of our aquaculture garden. Quite a few children, (and some unknown community members), have sampled marron and trout that are used to grow the vegetables, for all to share. On regular occasions in our garden program, children participate in managing our aquaculture garden, but it is a regular visiting place by all to see how everything is growing.

Lee has also participated in the many projects run by the classes that his own children have participated in and supported the teachers above and beyond. Even as volunteer bus driver to excursions. A very big thank you: from all the staff, past and present, to Lee for his contributions that made our programs so successful. Unfortunately Lee was unable to attend our celebration assembly.

PRINCIPAL RETURNS
Next term will see the return of Ms Chris Cook. We hope she has enjoyed her travels. Thank you to all staff for stepping up and assisting in the office in her absence.

REPORTS
Reports have gone home today. Any student not in attendance will have their report locked away until their return next term.

EMAIL ADDRESSES
Email has become a tool that the school uses to pass on information and reminders to parents. Please ensure your email address is up to date in the office at your earliest convenience.

SCHOOL CONTACT
Walpole_PS@education.wa.edu.au is the email address to be used for notifying the school of your student movements and bus changes. This email address goes to a number of staff members so ensures your message is received. Emails to individual staff can be missed if they are not in attendance that day.
CRUNCH AND SIP
Just a reminder to parents and students that our ‘crunch and sip’ afternoon snack is only water and fresh fruit or vegetable! No packaged snacks.

HOLIDAYS
I hope you have a safe and enjoyable break. I always enjoyed the school holidays to reconnect with my children in a relaxed, informal way without the regimentation a school term can have. I hope you are able to do the same.

Auskick will be returning for 3rd term!
Starting back on Wed 27th July
After school for 1 hour
Kids playing from Term 2, no payment needed.
See you there!
Regards Colin Burton & Shane Kirkwood
