PRINCIPAL’S ADDRESS

School Kitchen
The school kitchen was completed (or enough to use) on Wednesday, September 16. The senior class didn’t miss the opportunity to use the two new ovens to bake the forty three pizzas that were ordered for lunch.

Mr Jones, who teaches the kids the finer tips of cooking said, ”It was awesome to have the two ovens powering away at the same time.”

Thank you to the many people and organisations who have made the kitchen possible. Last year’s P&C (Sophie, Fiona, Cheree, Julie, Tash, Karen and Linda) worked hard on many fundraising activities to raise and then donate $10,000 towards the kitchen.

Donations of time or materials were also received from Walpole Op Shop (money), Linda Hoskins (towel rails, stools, air vent and pot holders), Walpole Quality Meats (meat and voucher), Walpole Transport (transport of materials), Fridge and Washer City (fridge), Reece Plumbing (sinks and taps), Target (gift card), Kmart (sandwich and pie makers), Health Dept (money), Rest Point and Coalmine Beach

Caravan Parks (money) and Appleyards (salad dicer).

Thank you to Rob and Tim who built the kitchen cupboards and to Jenny who donated hers but we went for new instead.

Attendance
Term 3 was not a good one in regard to colds, flues and tummy bugs. Still, a number of students attended every day, or almost. Tia Burton, Kaitlyn Dawton, Maddisn Dixon, Jorja Kirkwood, Luke McKinley, Grace Rule, and Damias and Reilny Skoveller-Murray attended 100% of the term. Heidi and Will Arrowsmith, Tiannah Dixon, Ashley and Keira English, Pia Gamblin, Tristan Kirkwood, Amber Ninette, Evie Rademan, Krystal Taylor and Jade Vermeulen only missed one day each. Fantastic!

Congratulations!
Congratulations to the girls who attended the gymnastics competition in Katanning last weekend. All of the girls performed to a very high standard and should be proud of their efforts. As usual, Walpole punched above its weight and took out a number of medals. Ellie, Bindi and Lailani won Gold and Amber N. Laluca and Megan brought home silver.

Our purpose is to contribute to each student’s physical, emotional and academic development and to assist them to foster positive values as participants in an ever-changing society.

Playground Changes

With the kitchen nearly finished, we’re starting to plan and implement changes in the playground. The timber picnic tables near the undercover area were not regularly used by the students. We have moved one to outside the office where it can be enjoyed by parents waiting to pick up their children and staff who want to catch a bit of sunshine away from the crowds. The bus students are sure it has been placed for their benefit and enjoy hanging out while they wait for the bus.

Thank you to Gypsie Mayger for donating rhubarb for our Wednesday lunch this week.
