## PRINCIPAL’S ADDRESS

Welcome back to a busy term 4. Hopefully, you and your family had a restful and enjoyable holiday.

### School Kitchen

This week, the students have been painting on tiles to install in the new kitchen as a splashback.

Thank you to Debbie Doust and Gary Hunter, who both helped with the kitchen installation last term.

### School Playground

A lot has been happening in the playground over the holidays and it was great to see the children of all ages trying out the new equipment.

Mr Griffiths, with the help of Mr Minchin at the Tip Shop, have organised a few stoves for the busy ‘sandpit chefs’ to cook on. Jack Rowlands helped Mr Griffiths install the low rope course. Neil and Kelly Burton donated a couple of culverts and white sand, and their time and equipment, as another edition to the playground.

### School Bus

If you currently use the school bus service and will not be needing it next year, have changed address or have children going to high school, please notify School Bus Services. It would also be appreciated if you know of anyone moving to town, that might wish to apply for transport assistance in 2016, that they should log on to the School Bus Services website www.schoolbuses.wa.gov.au now and complete their applications. All applications must be submitted by the 6 November 2015. Applications that are not received by this date may not be processed in time for school bus transport at the beginning of Term 1 2016.

### After School Activities – Bus Students

Start of new term please advise the office if your child is off the bus in the afternoons?

### Faction and Interschool Carnivals

Students have been practising in preparation for the athletic carnivals this term. If you are able to help, either on the 29/10 or 13/11, can you please let the office know?
